Results overview

Performance for the six months ended 30 June 2021

SAB Zenzele Kabili's financial performance is based mainly on the Anheuser-Busch InBev SA/NV ("AB InBev") share price and any dividend declared and received from AB InBev during the year.

As SAB Zenzele Kabili's only material investment and asset consist of AB InBev shares, the Company is entirely dependent on the receipt of dividends from AB InBev.

For the 6-months to 30 June 2021, the Company recognised a loss of R200 873 601 (30 June 2020: R247 592). The loss for the 6-months ended 30 June 2021 is largely attributable to the impairment loss on financial assets of R128 508 700, share loan fee of R58 034 328 and finance costs relating to preference shares amounting to R13 576 341.

The AB InBev share price at 30 June 2021 was R1 033,65. The decrease in the AB InBev share price from R1 058,82 has had a direct impact on the impairment of financial assets of R128 508 700 recognised in the condensed statement of profit or loss and other comprehensive income.

For details of movement in the fair value of the financial assets refer to Note 2.

Notes to the condensed financial statements

1. Basis of preparation

These condensed interim financial statements have been prepared in accordance with the framework concepts, the recognition and measurement criteria of IFRS and in accordance with and containing the information required by IAS 34: Interim Financial Reporting as issued by the IASB, the Financial Reporting Guides as issued by the SAICA Accounting Practices Committee, Financial Pronouncements as issued by the Financial Reporting Standards Council, the JSE Listings Requirements and the requirements of the Companies Act of 2008, as amended. They have been prepared on the historical cost basis, except for certain financial instruments which are measured at fair value or at amortised cost, and are presented in South African rand, which is the Company's functional and presentation currency. The condensed interim financial statements only have one reportable segment for the 6 months ended 30 June 2021.

The significant accounting policies are consistent in all material respects with those applied for the year ended 31 December 2020. The Company adopted the new, revised or amended accounting pronouncements as issued by the IASB, which were effective and applicable to the Company from 1 January 2021, none of which had any material impact on the Company's financial results for the period. Significant accounting policies are available for inspection at the Company's registered office.

A statement of cash flows has not been prepared as there were no cash transactions to the end of the reporting period, 30 June 2021.

2. Financial asset at fair value through profit or loss

In 2010, The South African Breweries ("SAB") implemented a B-BBEE transaction known as SAB Zenzele (the "Existing Empowerment Transaction"). The Existing Empowerment Transaction involved SAB issuing approximately 3.52% of its total issued shares at the time to SAB Zenzele, who in turn offered to issue SAB Zenzele Shares to qualifying black people who are retail liquor license holders, retail liquor license applicants or registered customers of ABI, the previous soft drinks division of SAB. It also involved an issue of shares in SAB to The SAB Zenzele Employee Trust established for the benefit of the SAB Group employees and to The SAB Foundation Trust for the benefit of the broader South African community.

The Existing Empowerment Transaction was established as a 10-year scheme to, amongst other things, give Qualifying Retailers and employees a chance to indirectly own shares in SAB through their ownership of SAB Zenzele Shares and to participate in, and become entitled to, the profits of SAB and, at the end of the 10-year transaction term, to become direct shareholders of SABMiller, the ultimate shareholder of SAB.

In 2016, following implementation of the Existing Empowerment Transaction, SABMiller entered into a combination transaction with AB InBev in terms of which, amongst other things, SABMiller and AB InBev merged into a new entity under the name AB InBev. This resulted in an amendment to the scheme where AB InBev replaced SABMiller in the arrangement.

In conjunction with the contemplated unwind of the Existing Empowerment Transaction, SAB had received consistent feedback from Retailer shareholders that they wish to be provided with an opportunity to reinvest a portion of the value to which they will be entitled to on the unwind of the Existing Empowerment Transaction.

As a result of the decision made by the Independent Board of SAB Zenzele, SAB and SAB Zenzele Kabili on 23 March 2020 (due to the impact of the COVID-19 pandemic) it was resolved that each SAB Zenzele Retailer Shareholder would be paid an amount equal to 77.4% of its entitlement in the form of cash from the unwind of the existing empowerment transaction. The balance of the entitlement would be retained to allow the shareholders a reinvestment opportunity into SAB Zenzele Kabili when the SAB Zenzele Board calls another general meeting to ask shareholders to vote on the implementation of the new scheme.

AB InBev and SAB have implemented the proposed new empowerment transaction which was conditional on certain approval and implementation of the conditions as set out in the prospectus document circulated to the retailers during April 2021. The implementation of the new empowerment transaction was concluded in May 2021.

The New Empowerment Transaction proposed by AB InBev and SAB was designed, amongst other things, to facilitate a reinvestment opportunity for SAB Zenzele Retailer Shareholders of their respective rights and entitlements to receive AB InBev Shares on the unwind of the 2010 Empowerment Transaction.

The SAB Zenzele Scheme proposed by the SAB Zenzele Board between SAB Zenzele and the SAB Zenzele Retailer Shareholders, in terms of which SAB Zenzele Retailer Shareholder cedes to SAB Zenzele Kabili 63.5% of its right and entitlement to receive AB InBev shares pursuant to the unwind of the 2010 Empowerment Transaction, in exchange for SAB Zenzele Kabili Ordinary Shares of proportional value, which was conditional on the SAB Zenzele Scheme being duly approved and implemented.

AB InBev and SAB implemented the proposed New Empowerment Transaction through SAB Zenzele Kabili, by means of the following core elements:

- **The Reinvestment Offer:** SAB Zenzele Kabili made an offer to SAB Zenzele Retailer Shareholders to cede all or a portion of their rights and entitlements (less their SAB Zenzele Scheme Entitlements) to receive AB InBev Shares pursuant to the unwind of the 2010 Empowerment Transaction to SAB Zenzele Kabili, in exchange for SAB Zenzele Kabili Ordinary Shares of Proportional Value. This resulted in the SAB Zenzele Retailers contributing R723 301 680 which equates to 683 121 AB InBev shares in exchange for 18 082 542 SAB Zenzele Kabili shares.
- **New ESOP subscription:** SAB Zenzele Employee Trust II ("The New ESOP") transferred to the SAB Zenzele Kabili the equivalent of R600 000 000 worth of the AB InBev Shares contributed to it by SAB in exchange for 15 000 000 SAB Zenzele Kabili shares.
- **The SAB Foundation subscription:** The SAB Foundation has contributed R299 million which equates to 282 105 AB InBev shares in exchange for 7 467 458 new SAB Zenzele Kabili Ordinary Shares.
- **SAB Vendor Funding:** SAB subscribed for SAB Zenzele Kabili Preference Shares for cash representing vendor funding of R2 973 000 000 from SAB. The cash will be used by SAB Zenzele Kabili to acquire AB InBev Shares in terms of the Stock Lending Agreement.
- **Discount Shares:** As an incentive to the SAB Zenzele Retailer Shareholders to participate in the New Empowerment Transaction, SAB contributed the equivalent of AB InBev Shares to the value of approximately R811 000 000 to SAB Zenzele Kabili at no further cost to SAB Zenzele Kabili.
