Join us for the SAB Zenzele Kabili Annual General Meeting on Wednesday, 21 May 2025 at 9AM South African time.
This year's AGM will be held entirely online at sabzenzelekabili.vagm.africa

What is an AGM?

The Annual General Meeting, or AGM, happens once a year. It's a key moment where shareholders come together to learn how the company is doing and what's ahead.

Why the AGM Matters

The AGM is all about transparency and accountability. It's a chance to hear directly from the company's leadership, ask questions, and stay informed about future plans.

What's on the Agenda

At the meeting, you'll hear about

The tabling of the financial statements for the past year

The appointment of directors and audit committee members

And the appointment of auditors

Shareholders will also have the opportunity to ask about any business updates or future plans.

How to Join

The notice, agenda, and a detailed guide on how to appoint a proxy and attend the AGM are available on the website.

And if you're unable to participate, you can still vote by submitting a proxy form ahead of time via the online iProxy platform:
